A dynamic University that Nurtures Pragmatic Professionals of Integrity

**Mission**

To provide a Holistic Education through Teaching, Innovation and Research for Social Transformation.

## BACKGROUND INFORMATION

The Brothers of Christian Instruction of the St. Teresa of the Child Jesus Province, Uganda, drawing from their long standing mission, and experience in the field of education, which stretches back to 1926, and wishing to respond to the growing need for higher education grounded in the Catholic ethos, conceived the idea of founding a University in Uganda.

In 2004, the Brothers sought collaboration with Uganda Martyrs University (UMU) to realise this project. The Memorandum of Understanding (MoU), signed on August 15, 2004, allowed the Brothers of Christian Instruction to establish Kisubi Brothers Centre of Uganda Martyrs University (KBUMU). The University Centre was to provide university level courses at Kisubi campus, coordinated by UMU.

On March 27, 2009, the National Council for Higher Education (NCHE) authorised Kisubi Brothers Centre of Uganda Martyrs University to operate as a Constituent College of UMU, under the assumed name of Kisubi Brothers University College (KBUC). After operating as a constituent College of UMU for six years, the National Council for Higher Education, on June 29, 2015, granted the college a Provisional License to start operating as a full-fledged private university in Uganda under the name University of Kisubi, abbreviated as UniK. On June 29, 2018, UniK completed the mandatory minimum of three (3) years under License and therefore qualified for the Charter status
